SECTION 6 — COURSE PHILOSOPHY AND UNDERSTANDING

On The Blu presents an educational and reflective exploration of the solar system, human experience, consciousness, symbolism, and alchemy.

The course introduces established astronomical concepts alongside the original spiritual and philosophical interpretations developed within On The Blu.

Students acknowledge that the dimensional planes, symbolic codes, and metaphysical teachings represent the On The Blu philosophical framework and are not presented as scientifically established astronomical facts.

The course welcomes students from diverse cultural, religious, and philosophical backgrounds. Participation does not require adherence to a particular religion or spiritual belief.
